Marysville High School, founded in 1871 as one of the first public high schools in California, has a rich history of producing productive members of society. The Marysville High School Hall of Fame was created to recognize these Alumni that have made significant achievements in their chosen fields or professional service by honoring them at our event and raising money for extracurricular and co-curricular activities, such as PBIS, clubs, and sports programs at Marysville High School.

With your support we believe we can reach our goal of \$50,000!
