

Monday, August 19, 2024

If you were issued a locker and would like to volunteer to give it up, please see Ms. Carol Wood in the Counseling Office. We have a waiting list for students who need lockers.

Students, beginning today, you will need to leave all backpacks and bags on a table outside of the restrooms before you enter. This applies to break, lunch and all passing periods.

Students, please be aware that class changes for preference are no longer being allowed. Remember that any changes in classes that are not for an academic necessity must be done before the first day of school. Class changes can be made if you have an error in your schedule such as a missing class, double class periods, you are in the incorrect level of a class or you are in a class that you already passed.

If you are interested in playing any sport this year, you must be cleared through the Assistant Principal's office. Please see Ms. Holly for any clearance information. You must be cleared before you can begin & participate.

Pre-season training for girls soccer will begin on Tuesday, August 27th and will be held Tuesdays and Thursdays from 3:30-5. We will meet and start in the Cafeteria. Sports clearances and physicals must be completed before you can start, so get to work! Can't wait to see you soon!

Now that school is back in session, just a few friendly dress code reminders: All shirts must have straps that are sewn into the shirt and must cover your entire torso, this includes your back. Clothing must be free of graphics and wording that depict or promote drug, alcohol, or tobacco use including Cookies and Backwoods. Clothing must be free of offensive, profane or suggestive graphics or wording. Pants should be secure around your waist.

Also a reminder that cell phones, earbuds, and gaming systems are not to be used during class time and are to be off and away. This is a district policy. Electronic toys like drones or RC cars, speakers, video cameras, radios, and any other electronic devices like laser pointers are also prohibited on campus at all times.

Let's get back in the habit of bringing your Chromebook, charger and Clever badge with you every day. We will not have loaner Chromebooks to issue.
