

Wednesday, November 29, 2023

Today is a Collaboration Day. Class dismisses at 12:15 and buses arrive at 1:30.

Students, there are just 13 SCHOOL DAYS left in the 1st semester. Take advantage of any extra help you can get, check your Aeries regularly for updates to your grades and turn in all assignments. We can finish the semester strong!

Just a reminder that cell phones are not to be out or in use during class time. Class time means from final tardy bell to the dismissal bell.

There will be an Orange Buck Exchange today right after school next to the Math and Science Building. Gather up those Orange Bucks and come see what awesome items you can get!

The Sophomore class will be selling See's Candy lollipops after school at the Math and Science Building. Each lollipop is just \$1.50. Come out and support the class of 2026!

The Business Club's annual Care Package Drive will end next Monday. Check out the posters around campus to see the items that are needed for those in need. Donate your items to any of the participating classes, offices or drop them in Room 101.

Winter athletes, your team photos will be today. Schedule is posted at the AP Office. Basketball and wrestling teams will meet in the Gym while soccer teams will meet at the stadium unless it is raining, then they will meet in the Gym.

Students, with the colder weather here, please remember that ski masks and face coverings like balaclavas are not permitted. They are against the school dress code. If you need a medical mask, please check with one of the offices.

Students, Room M-2 has now been transformed into our new Health and Wellness Room. It is no longer in Room J. M-2 is located in the classroom building between the Field House and the Math/Science Building.

Good morning, students! As we approach the end of November, a quick reminder about a fantastic opportunity that awaits you. The deadline for the Upward Bound program applications is swiftly approaching on November 30th. Securing your spot for the program's services begins with a timely application. Postmark yours by the deadline to guarantee your shot at an interview in the spring. Don't miss out on this chance to elevate your educational journey with Upward Bound! Remember, while we accept applications year-round, submitting yours before this date ensures your chance for a spring interview.

Please remember to bring your Chromebook, charger and Clever badge each day. We do not have any loaner Chromebook to issue for the school day. Come to class prepared and ready to be engaged. With finals approaching, you need to be prepared.
