

Tuesday, September 10, 2024

Students, MHS is closed campus. If you need to leave campus during school hours, you must have a pre-arranged Leave of Grounds pass from the Attendance Office before you can leave campus. This applies to break and lunch as well.

We do not allow food delivery services to come to campus. If you order food through places like DoorDash or UberEats, they will be turned away and the food not collected.

Seniors, we have our first college visit of the school year. On September 19, 2024 from 10am-2pm, we will be going to Yuba College for College Information Day. Over 30 representatives from CSU, UC, and private universities will be available to meet and discuss transfer options with students. Plus, many Yuba College departments will be present. This is a great opportunity to get important information from different colleges. Pick up your permission slip from Mr. Easter in the library. Permission slips are due today.

University of Pacific will be on campus today from 10-11am in the library. They will talk about their school, go over financial aid, campus life and majors amongst other things. If you are interested in coming to this presentation, sign up on your google classroom. If you have any questions, talk to Mr. Easter in the College & Center located in the library.

Gather up those Orange Bucks Indians. We will have our first Orange Exchange of the year tomorrow right after school next to the Math & Science Building! Some of the awesome things available are snack, drinks, Wampum Cards for lunch drawings, or trade them for raffle tickets for gift cards, Prom tickets, yearbooks, and even Bluetooth earbuds!

Get involved Marysville! Come out to the basketball courts at lunch Thursday and Friday to check out the clubs MHS has to offer. Visit all of the club booths and return to the ASB table to get an ice cream sandwich!

Just a reminder that the Library is a quiet place to study. It is not a place to hang out or play around. Also, please no food or drink in the Library. If you cannot follow these guidelines, you will be asked to leave the Library.

Students, you are not to park in the Ag Lot behind the portables or the East Lot next to the softball field. These are staff only parking lots. Students are to park in the Community Lot next to the bus loop in spaces not marked "Carpool", "Staff", or painted. Also, do not park at the Earl Yorton baseball field or on 18th Street inside the barricades. If you are caught parking in off limits spots, you may face disciplinary action.

Tomorrow is the first Collaboration Day of the school year. School is dismissed at 12:15 with buses arriving at 1:30.
