

Tuesday, September 3, 2024

Tomorrow is not a Collaboration Day. We will be on a regular day schedule.

Seniors, we have our first college visit of the school year. On September 19, 2024 from 10am-2pm, we will be going to Yuba College for College Information Day. Over 30 representatives from CSU, UC, and private universities will be available to meet and discuss transfer options with students. Plus, many Yuba College departments will be present. This is a great opportunity to get important information from different colleges. Pick up your permission slip from Mr. Easter in the library. Permission slips are due by September 10.

Students, please be aware that the track area and the grassy section is off limits as they will be starting a large construction project. Please do not cross any fencing that will be up. Keep in mind that even though there may not be barriers up or fencing around the field, it is still off limits! Do not go in the area. It is unsafe.

Reminder, additional dress code enforcements are in effect. This includes providing alternative clothing options or contacting parents to bring appropriate clothing.

Make sure that you get your Wampum Cards turned in at the Student Store if you would like the chance for the lunch with a staff member drawings. We will have our first drawing of the year this Friday, September 6th!

Reminder, there are no loaner Chromebooks or chargers available. Make sure to bring your Chromebook & charger each day. Charge your computer the night before so you are prepared for the school day.
