

## Friday, September 6, 2024

---

Seniors, we have our first college visit of the school year. On September 19, 2024 from 10am-2pm, we will be going to Yuba College for College Information Day. Over 30 representatives from CSU, UC, and private universities will be available to meet and discuss transfer options with students. Plus, many Yuba College departments will be present. This is a great opportunity to get important information from different colleges. Pick up your permission slip from Mr. Easter in the library. Permission slips are due by Tuesday.

The FFA Tri Tip Drive Thru Dinner is on Wednesday September 18. Pick-up will be from 4:30 to 6:30 and take place in the Ag Parking Lot. Forms are due to the Student Store by lunch this Friday.

---

Students, please be aware that the track area and the grassy section is off limits as they will be starting a large construction project. Please do not cross any fencing that will be up. Keep in mind that even though there may not be barriers up or fencing around the field, it is still off limits! Do not go in the area. It is unsafe.

Mark your calendars Marysville! Club Rush will be next Thursday and Friday at lunch. More information will follow!

---

Just a reminder that the Library is a quiet place to study. It is not a place to hang out or play around. Also, please no food or drink in the Library. If you cannot follow these guidelines, you will be asked to leave the Library.

---

Students, you are not to park in the Ag Lot behind the portables or the East Lot next to the softball field. These are staff only parking lots. Students are to park in the Community Lot next to the bus loop in spaces not marked "Carpool", "Staff", or painted. Also, do not park at the Earl Yorton baseball field or on 18<sup>th</sup> Street inside the barricades.
