## SENIOR SUMMER NEWSLETTER

### MARYSVILLE HIGH SCHOOL~ JULY 2021

Dear Parents and Students:

Summer is almost over and it is time to start thinking about coming back to school. We are looking forward to having our students back on campus in the fall. We are working with local health officials, district and site leadership to develop a plan to ensure the safety of our students and staff, while meeting the educational needs of our students. More information will be forthcoming as we get closer to the start of the 2021-22 school year. As educators, it is our belief that students need to be in school. At the same time, as we look to reopen in the fall, we are faced with maintaining the health and safety of students and staff from COVID-19. Please watch for updates on our website as well as the Marysville Joint Unified website. We have enclosed dates and information related to the beginning of the year in this newsletter. We are excited to welcome the Senior Class of 2022!

Enjoy the rest of your summer,

Shevaun Mathews ~ Principal

Amy Eggleston ~ Assistant Principal

John Ithurburn ~ Assistant Principal

## GRADUATION ANNOUNCEMENTS, CAP, & TASSEL:

A representative from Herff Jones will be at MHS to take your orders (you will be notified of dates at a later time). These must be paid in full when ordering (cash or cashier's check or money order payable to Herff Jones, NO PERSONAL CHECKS). Order forms will be given to each senior approximately one week prior to this date. Cost will depend upon what individual students choose to order. Only students who complete graduation requirements by June 2022, have a 2.0 GPA, meet 90% attendance and who do not have any outstanding charges at MHS may participate in the graduation ceremonies.

## TESTING

For the Senior who plans any type of education after high school, it is necessary to be alert to testing, admissions, housing, and financial aid deadlines. All colleges and many vocational schools require some type of admissions testing. All four-year colleges require either SAT (Scholastic Aptitude Test) or ACT (American College Test). See your college's catalog to see which one you need. Some UC (University of California) campuses and some private colleges require subject tests in addition to the SAT.

### ● COVID-19 NOTICE:

Due to the recent pandemic, some institutions are waiving college entrance exam requirements for fall 2022 admissions. DO NOT ASSUME they are not required! Seek guidance from the institutions to which you plan to apply.

Please be aware that all testing dates/locations are subject to change as social distancing mandates. Keep checking with admissions testing sites for updates.

## ANTICIPATED TESTING DATES

### ● ASVAB

The **ASVAB (Armed Services Vocational Aptitude Battery)** is the most widely used multiple-aptitude test battery in the world. The ASVAB measures your strengths, weaknesses and potential for future success in four domains: verbal, math, science and technical, and spatial. It provides career information for various civilian and military occupations and is an indicator for success in future endeavors, such as college, vocational school or a military career.

<u>Test Date</u>	<u>Sign Up</u>	<u>Cost</u>
November 3rd and 4th, 2021	In October	Free

### ● SAT

The **SAT** is a 4-hour aptitude test covering evidence based reading and writing, and mathematical skills. The cost is \$52.00 plus \$16.00 with the essay. Below is the proposed information for SAT testing for the 2021-2022 school year. Check with your student's counselor for fee waivers. Registration will open in early July.

<u>Test Dates</u>	<u>Registration Deadline (Postmark)</u>	<u>Late Registration Begins (Late Fee Applied~\$30)</u>
August 28, 2021	TBD	TBD

For more information on test registration deadlines, go to [www.collegeboard.org](http://www.collegeboard.org) Students can register for SAT via College Board Online at [www.collegeboard.org](http://www.collegeboard.org).

### ● ACT

The **ACT** is a 3-hour test battery covering English, Math, Social Studies, and Natural Science. Some colleges will accept only ACT (Ricks College and Brigham Young University). The basic registration fee is \$60.00 plus an additional \$20.00 for the optional writing test. Students can register for the ACT via [www.act.org](http://www.act.org) Check with your counselor for fee waivers.

<u>Test Dates</u>	<u>Registration Deadline (Postmark)</u>	<u>Late Registration Begins (Late Fee Applied~\$30)</u>

December 11, 2021	November 5, 2021	November 6 – 19, 2021

## (TESTING CONTINUED)

Be sure to list score recipients when you register for the test. Using code 3594, will cover all CSU's for the SAT. This will save you money later! Some scholarships require SAT scores and you must list them as score recipients in order for scores to be sent to them. You will only need to send your ACT/SAT scores to one UC campus. Your ACT/SAT scores will be forwarded to the UC Application processing services for distribution to other UC campuses.

### ● A.P.

**Advanced Placement** examinations provide an opportunity for you to earn college credit while in high school. This, in effect, is like getting a substantial scholarship, because it reduces the total amount of credits you will need to earn on the college campus. AP tests are held in May. **The registration deadline will be in October 2021.** See Ms. Eggleston about these tests. Students who have a strong background may take the AP Test without being enrolled in the course.

## COLLEGE ADMISSIONS

College applications are available online. California State University (CSU) begins receiving Fall applications on October 1<sup>st</sup> of the year preceding enrollment (October 1, 2021). Some campuses begin to close the application cycle on November 30<sup>th</sup>. For more information on specific CSU campus deadlines and to apply, go to [csumentor.edu](http://csumentor.edu). University of California (UC), applicants for Fall 2022 may start working on the application as early as August 1<sup>st</sup>. The application filing period for Fall 2022 admission to UC campuses opens November 1<sup>st</sup> and closes at midnight on November 30, 2021. For more information and to apply go to [admission.universityofcalifornia.edu](http://admission.universityofcalifornia.edu).

Students who wish to attend Yuba, Butte, or another community college should apply in March or April. Students are admitted as long as space remains.

It is your responsibility to request high school transcripts from the MHS Counseling Office. Transcripts are free prior to graduation. One free transcript is available after graduation if requested prior to your graduation date, but additional transcripts require a one- dollar fee. All colleges require a final transcript (June). Most also require a 6 or 7 semester transcript.

## HOUSING

At most college campuses, dormitory accommodations are limited, and it is extremely important for you to inquire NOW if you wish to secure a space in the dorms. It is suggested that you address a letter to the Housing Office at your first choice campus right away asking for information and for a housing application. At some campuses the dorms are full by November.

## SCHOLARSHIPS AND FINANCIAL AID

1. Scholarship information is available through the school newsletter, the school website and in Naviance. These bulletins describe upcoming scholarship/financial aid opportunities and should be read carefully. **DO NOT MISS DEADLINES!** Check the scholarship bin for scholarships in the College and Career Center in the library daily.
2. Occasionally, financial aid items appear in the daily bulletin.
3. We will be holding an informational session in the fall. Please check the website and the monthly newsletter for more information.
4. A bulletin board in the main hallway is reserved for financial aid information.
5. The internet is a great tool to utilize!

There is plenty of information available, but to receive the money you need, you must fill out the applications and be alert as opportunities arise. NEVER assume that you will receive the money you need without doing these things.

**Do not be choosy; apply for EVERY scholarship or grant for which you are eligible.**

The best way to prepare for college is to begin now by establishing good study habits, take notes in your classes, learn to budget your time as though it were money, and don't allow yourself to choose the easy way out! Success begins with your own positive attitude and with your own willingness to work to achieve the goals you establish.

# STUDENT SUCCESS

## NAVIANCE

MHS will continue to use Naviance, an online college, career and life readiness (CCLR) platform that helps middle and high school students discover their strengths, explore college and career interests, create actionable goals and find their best-fit path after high school. Students are able to perform self assessments that support a personalized learning approach, to gain a comprehensive profile of strengths and to access tools they need to take charge of their own learning. Students and parents can explore career pathways and find their best fit college. The Naviance login is located on the MHS website homepage. For more information, here is a video about Naviance:

<https://www.screencast.com/t/tbcYt9eUkKg> If you have any questions, please reach out to **your counselor or College/Career Center Counselor, Stan Easter**, and we will be happy to help.

## YUBA COLLEGE CLASSES

Available to concurrently enrolled students. Since instruction begins August 15th, it is critical that interested students obtain authorization forms from their counselors ASAP.

## AERIES PARENT & STUDENT PORTAL

Each student has been assigned a unique ID number and verification code allowing the parent to log on to a secure web site to view the student attendance and most recent report card. For those teachers using the online grade book, parents will be able to view weekly assignments and current grades. Unique ID numbers and verification codes move with the student from year to year within MJUSD schools. All newly enrolled students will receive instructions, ID numbers, and verification codes when they enroll. Students should also have an Aeries Student portal account. If you or your student need your login information, please contact your counselor or the counseling secretary in August. The Aeries Parent and Student Portal is located on the MJUSD webpage at

<https://aeries-1.mjUSD.com/parent/LoginParent.aspx?page=default.aspx>

## STUDENT STORE

The **Student Store** is open from 7:30 a.m. to 3:30 p.m. beginning August 2<sup>nd</sup> (closed for lunch 11 a.m.-12 p.m.). The Student Store will not be open on Registration Day, August 6<sup>th</sup>, but there will be a table set up in the gym selling items from the Student Store. ASB Sports Stickers will be available to purchase and cost \$30 each. The ID card is free, but replacement cards are \$5.

Reminder: The Student Store is not allowed to cash checks. You may purchase items by check for the amount of purchase only. When sending students to the Student Store with checks, please note on the memo part of your check what the check is intended for. This will ensure your check is used for the intended purpose.

Continued disorderly conduct or persistent refusal to submit to the authority of the driver shall be sufficient reason for a student to be denied transportation. Board Policy 5131.1

## **MHS DRESS CODE**

Each year parents and students have a number of questions about dress code. Please keep the following in mind when purchasing new school clothes for MHS students. For questions, please call 741-6180 for clarification.

- No gang paraphernalia—colors (red/black, blue/black, brown, green) scarves, belts, "rags", (handkerchiefs), hairnets, or hats will be tolerated on campus, as determined by the Yuba County Gang Task Force. Rosaries and colored wrist bands depicting gang colors are not to be worn outside of clothing.
- Clothing and jewelry must be free of writing, pictures, or any other insignia which are profane, offensive, or sexually explicit or which depict or advocate racial, ethnic, religious prejudice or the use of drugs, alcohol, or tobacco.
- Shoes must be worn at all times and should be comfortable and safe for emergency situations. No slippers.
- Clothing must be sufficient to conceal all private body parts and undergarments. See-through fabrics, strapless tops, bare midriffs, pajamas, and shorts, with an inseam of less than three (3) inches, are prohibited. Straps must be sewn on both sides across each shoulder.
- Men's sleeveless ribbed white t-shirts are strictly prohibited.
- Male students are to wear shirts at all times.

## **DRESS REQUIREMENTS FOR P.E.**

Dressing down on a daily basis is required to enhance motor skill development and for the purpose of hygiene and safety. Students will not be allowed to participate in class activities if their attire is a danger to the student or may damage PE equipment.

SPECIFIC REQUIREMENTS FOR DRESS:

1. Socks
2. Tennis shoe or running shoe with shoe strings or Velcro straps.
3. Gray t-shirt, black shorts or sweats. MHS P.E. uniforms are available for purchase at the student store.
4. Sweat clothes are not required but are recommended for cold weather.
5. Students wearing gym clothes over street clothes are not considered dressed for participation.

## **P.E. LOCKERS/SECURITY**

PE lockers are assigned to all students taking a PE class. These lockers provide minimal security. Thefts and vandalism do occur. The following recommendations will help to secure your belongings.

1. Students are required to provide a lock. We recommend buying a good quality combination lock. Key locks will not be allowed.
2. Do not share lockers with other students and do not give anyone your combination.
3. Do not borrow or share PE clothes.
4. Do not leave jewelry, money or expensive items in your locker.
5. Always check that your lock is on the correct locker and locked when you leave the locker room.

Parents and students are encouraged to write (in permanent ink) the student's last name and first initial on their PE clothing. This will prevent stolen items from being used and help instructors identify lost items. Lastly, students must comply with all locker room rules.

## **MHS IS A CLOSED CAMPUS**

Once a student is on campus, they are to remain on campus the entire school day. Students leaving campus during the school day without permission will receive disciplinary action.

# PARENT INVOLVEMENT

The District Advisory Committee (DAC) is comprised of broad representation of the parent population served by the district including socio-economic and ethnic groups represented in the district. The collaborative effort flourishes in an open dialogue format. The DAC is a vehicle the Superintendent uses to gauge parent feedback regarding issues of importance to parents.

Andrea Raya 741-6180 ext. 3108 [araya@mjusd.k12.ca.us](mailto:araya@mjusd.k12.ca.us) A-L

Regular attendance is fundamental to your student's success in High School. Parental support is essential in the maintenance of accurate attendance records. We ask that you familiarize yourself with our procedures and review them with your students. If there are questions or verification needed on any of the attendance office policies, please do not hesitate to give us a call at the above numbers.

## **LEAVE OF GROUNDS ~ PLEASE READ CAREFULLY!**

Students who need to leave school during the school day for any justifiable reason are required to check out through the attendance office. To receive a Leave of Grounds a parent/guardian must do one of the following:

1. A parent or guardian is required to come to the attendance office and sign their student out of school. Please allow enough time for Attendance to retrieve your student from class.
2. Send a written note with your student. If it is a planned appointment a note with the time and type of appointment, signed in ink by the parent/guardian with a phone number for verification purposes will suffice. The student needs to pick up his/her Leave of Grounds pass before school or at break.
3. Send an email at least 60 minutes prior to the time of release. Email must match the email address listed on the parent contact form. If email does not match, the student will not be released. When sending an email, 1) please type your students first and last names in the subject line and 2) state the time and reason he/she should be dismissed. (Reminder: the attendance office is continuously active with phone calls, students, and parents in the office. Emails are checked as often as time allows.)

**If a student leaves campus without a leave of grounds no matter what circumstances it will be considered a CUT.**

## **CLEARING ABSENCES**

All legitimate student absences must be cleared by a parent or guardian within 5 school days of the student's absence. These clearances must be made in the following ways.

1. A note, in ink signed by the parent with exact date, times and reason for absence within 48 hours of the student's absence.
2. Telephone call from parent/guardian to the attendance office indicating the exact time, day and reason for absence.
3. E-mail to the attendance office with parent name, student name, grade, date, time and reason for absence.

2. Quarantine directed by county or city health officer
3. Medical, dental and optometric appointments (please bring in a medical note to verify)

1. Court appearance
2. Attendance at a student's religious retreat not to exceed 4 hours per semester.

If a student is going to be out of school for a medical reason for an extended length of time, please contact their counselor for information on the Home & Hospital program.

## 18-YEAR-OLD CONTRACT

When a student turns 18 they are of legal age to clear their own absences. In order that they understand the responsibility of this, we require them to sign a contract with the Assistant Principal before we accept any excuses from them. Eligibility to obtain an 18-year-old contract will be based upon 90% (or higher) attendance rate and a 2.0 (or higher) GPA. Upon completion, parents will need the student's consent to read his/her school records. If students do not maintain a 90 % attendance rate and a 2.0 GPA once the contract is signed, administration has the right to revoke it. It is the student responsibility to maintain a 90% attendance rate.

## SARB (STUDENT ATTENDANCE REVIEW BOARD)

When a student has excessive absences that have not been verified by a parent or guardian a letter is sent home. The process is 3 letters—the 1<sup>st</sup> is informational; the 2<sup>nd</sup> requires a meeting with an Assistant Principal; the 3<sup>rd</sup> involves a hearing at the county courthouse.

## EXCESSIVE ABSENCES

District policy states that a student should be in attendance 90% of the school year. If a student misses more than 10%, parents will be required to get an excuse from their physician in order to excuse their student's absence.

The mission of Marysville High School is that all students will learn at a high level to ensure college and/or career readiness.

Dear Parents/Guardians of **Junior and Senior Students:**

Cal Grant Awards are free money provided by the State of California to help pay for the costs of college. Graduating high school seniors who meet academic and eligibility requirements may qualify to receive a Cal Grant. Marysville High School is committed to providing students with this opportunity and will automatically submit the required student Grade Point Average (GPAs) to the California Student Aid Commission ([www.calgrants.org](http://www.calgrants.org)).

To be considered for Cal Grant awards, students must also complete a Free Application for Federal Student Aid (FAFSA) at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) by **March 2, 2022**.

Dreamers and DACA students do not qualify for Federal Aid. However, they may be eligible for state or college financial aid. Most states and colleges use information collected on the FAFSA to determine eligibility for aid.

If you decide **NOT** to participate in these opportunities, please contact your counselor by **August 31, 2021** to request the Cal Grant GPA **OPT-OUT** form. **By opting out, the student WILL NOT be considered for a Cal Grant Award.** If the opt-out form was not received, your student information will automatically be submitted to the California Student Aid Commission. If you have any questions, please contact the counseling department at 530-741-6180, ext. 3105.

(Height and weight of athletes will be made available).

Colleges, universities, military recruiters, and financial aid organizations may request student directory information on 11<sup>th</sup> and 12<sup>th</sup> grade students.
